

Headers/MyView.h

```
graph TD; A[Headers/MyView.h] --> B[QTableView]; A --> C[QPoint];
```

A diagram illustrating a header file dependency. At the top, a gray rectangular box with a black border contains the text "Headers/MyView.h". Two dark blue arrows originate from the bottom edge of this box. The arrow on the left points diagonally down and to the left, terminating at a white rectangular box with a gray border containing the text "QTableView". The arrow on the right points diagonally down and to the right, terminating at a white rectangular box with a gray border containing the text "QPoint".
